Evangelisches Studienwerk: Scholarship for Students

Overview

Programme Description

The ESV scholarships are open to protestant students from all disciplines and subjects wishing to study full-time at a state or state-recognised higher education institution. You are welcome to apply if you are not a member of a Protestant church. In this case, your application and specifically your letter of motivation will be evaluated by a committee, which decides whether you will be admitted to the first round of interviews. Applicants older than 35 years are required to include a special request into their application.
The programme includes close and individual mentoring, a vast range of seminars and the opportunity for student participation at all levels. It is worth up to 812 EUR every month plus 300 EUR to cover study costs and offers further financial support, i.e. when students go abroad to study.
