Strategy 2025

OUR GOALS

- 1** Promote excellence and broaden perspectives of education and science through international exchange
- 2** Enhance international collaboration for the benefit of science, industry and society
- 3** Assume global responsibility and contribute to development and peace

IMPLEMENTATION IN THREE STRATEGIC FIELDS OF ACTIVITY

Recognising and supporting potentials worldwide

Strengthening the strategic academic network

Providing expertise for international relations

KEY ISSUES UNTIL 2025

- Digital transformation
- Sustainability and the 2030 Agenda
- Diversity and equal opportunity
- International professionals for science and industry
- Innovation and transfer
- Global issues
- Foreign academic policy in times of growing instability
- Freedom of science

Information on studying in Germany

**“The pandemic has certainly taught us
that the only way to solve existential
crises is through cooperation between
academics and researches that reaches
across international borders.”**

Prof Dr Joybrato Mukherjee
President of the DAAD and of Justus Liebig University Giessen
