Admission is granted to German and international students who are enrolled at one of the universities in Hamburg, as well as students attending the Hamburg Conservatorium in Blankenese and a preparatory course at the Studienkolleg (individuals, couples and families).

Application deadline

Applications can be sent in at the earliest three months before your chosen date for moving in.

Application

You can fill in the application form online. [Online application for admission \[http://www.studierendenwerk-hamburg.de/studierendenwerk/en/wohnen/online_application/\]](http://www.studierendenwerk-hamburg.de/studierendenwerk/en/wohnen/online_application/) You can also pick up the application form from the information centre for accommodation (Info-Zentrum Wohnen) or print it out. Please send the completed form together with a photograph to the Studierendenwerk Hamburg, Von-Melle-Park 2, 20146 Hamburg, Germany.

Please note: The online application for admission does not apply to exchange/programme students. Please contact your coordinator at your home university.

Erasmus or central exchange students

It is strongly recommended to apply for one of the rooms set aside for Erasmus and central exchange students in the student dormitories as it is very difficult to find affordable housing in Hamburg on your own. Please contact your programme coordinator in Hamburg and request a housing application form.

Please note that as an exchange student, you may not apply directly to Studierendenwerk Hamburg for a dorm room. Please also note that the deadline for Erasmus and central exchange student housing offers is approximately three to four months before the semester starts.

Additional information

You can apply for up to three buildings or for all buildings together. If you apply for all buildings, you will increase your chances of quickly receiving accommodation.
