

TheMuseumsLab • DAAD

Overview

Objective

TheMuseumsLab is a programme for joint learning, perspective exchange, networking and career building among African and European professionals. Bringing them together to build bridges between individuals, institutions, nations and two continents for an engaged discussion on how museums can confront their past, meet the present needs of society and work towards an equitable future.

Who can apply?

African und European Museum professionals who have at least two years experience of working in the museum, heritage, or art sector.

What can be funded?

The participation in the complete programme of 2024

Duration of the funding

Programme activities will take place from **6 June 2024 to 10 December 2024**.

Value

For the onsite phases the following programme-related costs will be covered by the DAAD:

- International and national transport to arrive to and depart from programme locations (lowest possible economy class airfare and 2nd class train tickets)
- Local public transport (if applicable) during Module 2, Module 3 and the Residencies
- Airport transfers (Module 3 in Accra, Residencies in Africa if applicable)

- Airport transfers (module 3 in Accra, residencies in Africa if applicable)

- Visa fees (for visa processes at official entities)
- Health insurance (reimbursement up to 40 Euros)
- Accommodation during the onsite Modules and Residency Locations
- Programme related entrance fees
- Daily allowance during the onsite Modules and Residencies (limited compensation for meals not provided in the programme)

Please note: All programme related travels and accommodations will also be arranged and booked by the DAAD.

Selection

A selection committee which consists of African and European experts will review the applications.

The selection criteria are:

Professional competencies and experiences

Practical experience of at least 2 years in a museum, heritage site or art space, relating to themes such as Archaeology, Architecture, Art, Cultural History, Natural Sciences and Technology.

Commitment to the programme

High motivation to actively engage in participation formats.

A prerequisite for the selection of a candidate is the binding commitment to participate in all activities of TheMuseumsLab.

Personal skills

- Collaborative skills
- Respectful communication
- Creativity & Innovativeness
- Self-responsibility
- Ability to autonomously adapt to unfamiliar surroundings
- Resilience
- Ability to constructively question established structures
- Ability to self-reflect
- Aspiration to hold a leading position within a museum, heritage site or art space and to act as a multiplier

Language skills

Adequate language proficiency in English (written and spoken) is essential in order to participate actively in the programme.)

Further information

The programme is curated and implemented by the German Academic Exchange Service (DAAD) and the Museum für Naturkunde Berlin (MfN).

It consists of a seminar (three modules), residencies at European and African partner museums] and a project phase.

It will start with an online phase (kick-off and module 1) in June 2024, continue with the first presence phase (module 2 in Berlin, residencies at European and African partner museums) in September 2024 and close with the second presence phase (module 3, project work in Accra, Ghana) in November 2024.

Please note: the implementation of the programme is subject to the approval of funds.
