

## Co-funded Research Grants - Short-Term Grants - DAAD • DAAD

### Overview

---

The primary aim of this programme is to promote research projects within the context of doctoral programmes.

#### Who can apply?

Doctoral candidates at universities in Brazil, who have been awarded a domestic scholarship from CAPES

#### What can be funded?

A research project or course of continuing education at a state or state-recognised institution of higher education or a non-university research institute in Germany, which is being carried out in coordination with an academic adviser in Germany.

#### Duration of the funding

- 2 months to a maximum of six months; the length of the grant is decided by a selection committee and depends on the project in question and the applicant's work schedule.
- The grant is non-renewable.

#### Value

- Co-funded by CAPES:  
According to the agreements between DAAD and the Brazilian partner institutions the domestic doctoral scholarships will be paid during the research stay in Germany without changing the duration and value of the funding.
- Co-funded by DAAD:
  - Monthly payment of euros 650.-
  - Payments towards health, accident and personal liability insurance cover
  - Travel allowance, unless the expenses are covered by the home country or another source of funding

#### Selection

An independent selection committee consisting of specialist scientists reviews applications.

The most important selection criteria:

- a convincing and well-planned research project or course of continuing education
- academic achievements

Additional documents that prove academic suitability or provide information about extracurricular activities will also be considered in the assessment.

### Application requirements

---

#### What requirements must be met?

- Applicants must hold the official status as a doctoral candidate at a university in Brazil and have been awarded a domestic scholarship from CAPES
- As a rule, applicants should not have graduated any longer than six years before the application deadline. If you are

already working on a doctoral degree, you should not have started your degree any longer than three years previously

- Applicants who have been resident in Germany for longer than 15 months at the application deadline cannot be considered

## Language skills

Good knowledge of German or English, depending on the language of the research project in Germany.
