

## Combined study and practical stays for engineers from developing countries (KOSPIE) in cooperation with the Argentine Ministry of Education (ALEARG) • DAAD

### Overview

---

#### Objective

Advanced Argentinean students first spend one semester at a German university and then complete a 4 to 6-month industrial internship.

#### Who can apply?

Advanced students of engineering sciences at Argentinean universities or researchers in publicly funded institutions with Argentinean nationality up to an age of usually 26 years.

#### What can be funded?

A study semester at a German university followed by a 4-to-6 month internship in a German company; alternatively, a research project under the supervision of a German professor is possible in the 2nd semester.

#### Duration of the funding

12 months

#### Value

Co-financing between the Argentine Ministry of Education (ME) and the DAAD.

- 2-month intensive language course in Germany including accommodation costs and pocket money of 460,- Euro per month (DAAD)
- One-time study and research grant of 460,- Euro (DAAD)
- Travel allowance for outward and return journey (DAAD)
- Monthly scholarship instalment of 1120 euros for 10 months (ME)
- Health, accident and liability insurance (DAAD)

#### Selection

Students apply through the international offices of the participating Argentinean universities.

Selection criteria are among others:

- above average academic performance
- personal suitability for the programme and its objectives
- knowledge of the German language (at least level B1)
- good command of English

The selection of applicants for a scholarship is carried out by an expert selection committee of the Argentine Ministry and the DAAD.
