

Taiwan Summer Institute Programme • DAAD

Overview

Objective

The aim of the programme is to interest graduates of the Taiwan Summer Institute Programme in Germany as a centre of research and to encourage them to spend a longer period in the country.

Who can apply?

Doctoral candidates and students of Master's degree courses from Taiwan

What can be funded?

A short research period at state or state-recognised universities or non-university research institutes and in industry

Duration of the funding

2 to 3 months from July

Value

Monthly payments from the DAAD for foreign students of Master's degree courses or doctoral candidates

Selection

Selection is made by the National Science and Technology Council - NSTC
