Description/content	<p>The JSEC is an interdisciplinary centre which offers doctoral training in several programmes:</p> <ul style="list-style-type: none">The Graduate School on Social and Behavioural Change (GSBC)www.gsbc.uni-jena.deThe Graduate College Economics of Innovative Change (GK EIC)www.gkwiwi.uni-jena.de <p>The principal research focus is interdisciplinary, in line with our conviction that answers to research problems related to social and economic change will definitely benefit from insights offered by neighbouring disciplines. An existing lacuna in a sometimes restricted disciplinary solution can thus often be closed. Our preference for an interdisciplinary approach, however, does not deny the disciplinary strengths in identifying problems and suggesting promising solutions.</p>

Course Details

Course organisation	Different types of courses are derived from the aims of the doctoral teaching programme. Courses are offered either by the collaborative centre/institution (e.g. graduate colleges) or cross centre/institution. The programme is organised in modules, represented in credit points (ECTS). All classes should be attended in the first two years of the PhD studies.
