Costs / Funding

Tuition fees per semester in EUR	None
Semester contribution	In Germany, students at all higher education institutions pay a semester contribution. This payment (University of Bayreuth: 142.85 EUR per semester) has nothing to do with tuition fees; rather, it covers your contributions to student services and the student government. At the University of Bayreuth (which combines the campus in Bayreuth and our Faculty VII located in Kulmbach), it includes a "semester ticket" that allows you to use public transport in the region.
Costs of living	The cost of living in Germany, e.g. accommodation, food, clothing and recreational activities, is about average compared to other European countries. Living expenses are significantly lower than in countries like Denmark, Luxembourg or Switzerland, but they are rather high compared to countries like Poland, the Czech Republic or Italy. Compared to other large German cities, such as Munich, Berlin or Hamburg, Bayreuth's low cost of living and affordable housing make the city and the region particularly attractive to young people and families. The DAAD website will tell you what living expenses to expect in Germany: https://www.daad.de/deutschland/nach-deutschland/voraussetzungen/en/9198-financing/.
Funding opportunities within the university	Yes
Description of the above-mentioned funding opportunities within the university	**Scholarships for international students:** International students and doctoral researchers have the opportunity to apply to the International Office for a study grant. Limited funding from the State of Bavaria and the DAAD is available for this purpose. The application deadline for the **winter semester is 31 August and for the summer semester 28 February**. All grants can be awarded for up to two semesters. Unfortunately, first-semester students cannot be funded, i.e. applications cannot be submitted until the second semester of study for funding starting in the third semester of study. Above all, academic achievements from the previous semester are decisive for the evaluation of the application.

Academic admission requirements	Bachelor's degree (or equivalent) in German studies If you are from China, Mongolia, or Vietnam, your application must also include an "APS" Certificate.

Services

Possibility of finding part-time employment	There are many ways for international students to earn money while they study, but there are some restrictions. For more detailed information, please visit the DAAD website. The University of Bayreuth's Career Services team provides a central interface between student and professional life. The team offers guidance and support to students of all subjects with regard to starting their careers. For information regarding the **Corona virus**, please visit our website and also see https://www.daad.de/en/coronavirus/.
Accommodation	**Accommodation for students** Bayreuth and Kulmbach have a number of student dormitories (both private dormitories and dormitories offered by the Association for Student Affairs) and a vast array of private rooms available. Under no circumstances should you assume that you will be assigned a room in the student dormitories! You will need to actively search for a room on your own – either in a private dormitory or on the private market. More information regarding accommodation for students is available here: https://www.uni-bayreuth.de/en/studies/accomodation/index.html. Please also read the DAAD's information. **Accommodation for international guests** All other international guests are requested to register via the Welcome Services Database (WelSe). **Accommodation for short visits** For short visits, we recommend searching for accommodation on Airbnb. In addition, a limited number of apartments are available in the Alexander von Humboldt Guest House.
