Darmstadt University of Applied Sciences

© Britta Hüning

Darmstadt University of Applied Sciences:

- One of the largest universities of applied sciences in Germany
- Member of the European University of Technology EUT+
- 16,000 students, 340 professors
- 12 departments with Bachelor's and Master's degrees in engineering, natural sciences, mathematics, computer sciences, business, social sciences, architecture, media, and design
- Practice-oriented education
- Worldwide network: over 140 partner universities
- International students represent approx. 20% of the student body

University location

Darmstadt, also known as the "City of Science", is home to several scientific institutions, universities, and high-tech companies. The city is rich in old art nouveau establishments, such as Mathildenhöhe. Darmstadt is located in the vibrant metropolitan Rhine-Main area, right next to Europe's financial centre, Frankfurt/Main, and within easy reach of many major European cities.
