ca. 16.00	End of seminar

Chair

Dr. Jos Beelen is Professor of Global Learning at The Hague University of Applied Sciences, where he leads a research group that explores the skills of lecturers to develop and teach internationalised curricula. He has published a range of articles on the implementation of internationalisation at home.

Jos is also a Visiting Professor at Coventry University and a senior trainer for the European Association for International Education (EAIE). From that association he was the recipient of the 2018 President's Award for his contribution to internationalisation at home.
