

# Ready for the future – Your way to university

Information for refugees

**Improve your prospects:** The **TestAS** exam is your first step towards university studies and TestAS is free-of-charge for you. It makes your skills visible. You receive a certificate which you can then use to apply – to a university directly or to uni-assist. → [refugees.testas.de](https://refugees.testas.de)

**Make sure you apply correctly:** The **uni-assist** association will check your certificates free-of-charge to determine whether you are generally entitled to enter university studies. You can apply to several universities at once. → [uni-assist.de/fluechtlinge.html](https://uni-assist.de/fluechtlinge.html)

**Ask the experts:** After receiving study guidance at a university and obtaining the relevant consultation certificate, you can submit your application to **uni-assist**.

**Qualify for higher education**

German courses and subject knowledge: many universities and preparatory colleges have a wide range of **Integra** programme courses to prepare you for a degree course.

**Test your language skills**

Discover your level of competency in German or English by completing the **onSET** language test free-of-charge on your computer. It will help you choose the appropriate language course.
