

# Scholarship for a PhD-study at the African Institute for Mathematical Sciences (AIMS) in Senegal

## Call for Scholarship Applications 2018

Funded by the Federal Ministry of Education and Research  
(BMBF)

**Application Closing Date: 14th of May 2018**

Funded by:

Bundesministerium  
für Bildung  
und Forschung

**Programme Objectives**

The DAAD (German Academic Exchange Service), as a publicly funded, self-governing organisation of the institutions of higher education in Germany, promotes international academic exchange as well as educational co-operation with developing countries through a variety of funding and scholarship programmes.

DAAD is able to offer scholarships for postgraduate studies to the African Institute for Mathematical Sciences. The programme is funded by the Federal Ministry of Education and Research (BMBF) and aims at university staff development in the first line, without neglecting other public sector demand of academically trained personnel.

AIMS, the African Institute for Mathematical Sciences, as a self-governing non-profit trust, which is supported by several universities, offers a postgraduate Programme to talented students from the African continent. In a similar way, AIMS is extending its offer to Masters and Doctoral Degree Programme in mathematical sciences meeting the need for highly qualified scientists in Africa.

It has been agreed upon that DAAD co-operates with AIMS Senegal by offering up to 2 Scholarships for a PhD Programme in Mathematics.

**Application requirements**

**Applicants**

- have successfully completed generally at least a two-year Master degree (doctoral candidates) with above average results (second class upper division)
- clearly show motivation and strong commitment
- have thorough knowledge of the language of instruction
- have completed their last university degree not more than 6 years ago at the time of application
- must be nationals or permanent residents of an African country
- should generally be a) staff member of a public or private university, b) candidate considered for teaching or research staff recruitment, c) from the public sector or d) DAFI-Alumni (Albert Einstein German Academic Refugee Initiative)

*Female applicants and candidates from less privileged regions or groups are especially encouraged to participate in the programme.*

**Eligible fields**

The scholarships AIMS Senegal is available in the following field:  
Mathematics

**Place of tenure**

The fellowship is tenable at the respective AIMS Centre mentioned before.

**Duration and Commencement**

The awards are tenable for a period of up to three years 2018 – 2021.

**Application and Selection Procedure**

**The application process:**

Applicants are asked to register themselves online via the DAAD-Portal <https://portal.daad.de> (if not already registered) and apply online via the DAAD-Portal under the tab “Personal Funding”/ “Application”.

Documents to be submitted:

- DAAD application form duly filled (available in the DAAD-Portal)
- Curriculum vitae (please use the European specimen form at <http://europass.cedefop.europa.eu>), including a list of publications (if applicable).
- 2 recommendation letters by university lecturers
- Certified copies of university degree certificates including transcripts
- Letter of motivation (if applicable: mentioning the planned research stay in Germany, see "Additional benefits")
- Copy of the passport or national identity card.
- Declaration of acceptance from the academic supervisor
- Detailed and precise PhD proposal, including detailed work and time table (if applicable: mentioning the planned research stay in Germany, see "Additional benefits")
- Abstract of the proposal on one page (please include name and title of proposal)

**Closing date for the submission of DAAD scholarship applications is 14th of May 2018.**
